Enrolments
This year’s enrolment is 560 students which is very close to what we expected. This will enable us to have a small increase in our staffing which will be used to provide additional support for a number of our students. Students can expect only minor changes in their final timetables. Our Year 11 intake was 107 students which is a record for the school. These students will benefit from the wide curriculum offering including 6 VET subjects. Some of these students have taken up or looking at school based apprenticeships or traineeships.
I would urge students and parents interested in these options to contact Mrs Van Lieshout.

Year 9 laptops
Year 9 students will be issued with their laptops on Tuesday 26th March. A special meeting will be held on that evening in the school library beginning at 5.30pm. A parent, carer or adult must be in attendance for the student to receive their laptop. Important issues surrounding the use of these laptops will be discussed.
The laptop program has had enormous benefits and it is hoped that the program can continue in some form beyond this year. Students are to see our Technology Support Officer, Mr Ladson, if they have any problems or issues.

Anti-Bullying Day
Wednesday 20th March has been set aside as national anti bullying action day. There will be a number of awareness raising activities on the day including guest speakers at our assembly and outback theatre performances. Our Student Support Officer, Tracey Page is coordinating the activities with assistance from the SRC.

Homework Policy
Staff recently reviewed the school’s Homework Policy and reinforced the important role parents play in supporting the school in this area.
Homework is a valuable part of the education of our students. Teachers set suitable amounts of homework which are meaningful and at appropriate levels considering ages, stage of schooling and capabilities. The homework is marked promptly with consequences implemented if homework is not attempted or completed without a reasonable excuse. Parents will be contacted if teachers feel there are issues with homework.
All homework tasks should be noted by the students in their diaries. I urge all parents to monitor homework and encourage homework routines. If parents have any concerns or issues in relation to homework please contact the Head Teacher of the relevant subject area.

Mobile Phone Policy
The school has a very clear mobile phone policy that must be followed. Students may bring mobile phones to school but they must be kept in the student’s bag or pocket. Students bringing phones to school do so at their own risk. The school accepts no responsibility for any damage or loss of any personal electronic device. Phones cannot be used at school unless there is a particular classroom activity that requires their use. Failure to follow this policy will result in phones being confiscated.

Ipods may be used in the playground during the breaks. They may be used in the classroom when students have the teachers permission. That permission will only be given when there is an educational benefit to be gained.

Assessment schedules
Assessment schedules for all years will shortly be available on the school website www.deniliquin-h.schools.nsw.edu.au. The schools assessment policy and procedures for the HSC and Preliminary courses are also available. I encourage all students and parents to refer regularly to this information.

Information Session – Self Harm
An information session will be held in the school library on Tuesday 19th March looking at all aspects and issues associated with self harm amongst teenagers. The session will begin at 7.00 and run until approx 8.30pm. The session will be presented by Dr Angela Dixon, a senior psychologist. I would strongly encourage interested parents to attend.

Newsletter by email
If you would like to receive a copy of the newsletter by email please give the school a ring or email Katrina.taylor14@det.nsw.edu.au.

Andrew Collins
Principal
DEPUTY PRINCIPAL REPORT

Reports
As we are all aware, communication between the school and home is a very important component of successful schooling. School reports play a significant role in this communication. When you receive your child’s report you will notice their full, given name, at the top of the document. In the report, your child will have comments from teachers of the subjects studied. In the various subject comments, your son/daughter will be referred to by the name (eg shortened version) the teacher uses in the classroom environment. Please contact the school if you would like to discuss this arrangement further.

Updated contact information
It is very important that the school has current information regarding student contact details. Recently information went home in an effort to update our records. If your child has not returned their updated form, please ensure this happens ASAP. Forms are to be returned to the front administration office.

Appointment passes
If your child requires an appointment pass they are to see me before roll call in the morning. Students are to provide a note from home explaining the reason for the partial absence. Please ensure that the note provided has your child’s full name on it and is dated.

Uniform
When your child is out of uniform they are to see me before roll call with a note from home explaining the situation. Your child will be given a uniform slip from me, which will exempt them from further action. Passes may be given for short periods of time if circumstances are warranted. Please contact the school if you are experiencing difficulties with uniforms as we may be able to assist.

Signing in late
There are occasions where students will need to sign in late to school due to various reasons. Students should have a note from home explaining their lateness. Students are to report to the front office and sign in to identify their presence at school. If a student does not have a note explaining their lateness, they will be required to attend a detention.

Peter Astill
Deputy Principal

**Today’s Comprehension Strategy**

Prediction flowchart. Predict a situation, article, or consumer’s response. Be sure to think about the overall topic you are predicting:

1. Write down your prediction.
2. Revise your prediction after reading the article or after you have received feedback from a customer.
3. Was your prediction confirmed? Why or why not?

This is a key pre-reading strategy and helps students when revising, to become actively engaged and to further their comprehension.
**Maths News**

Our Year 7 students this week have started a new topic on Basic Number. As a part of this unit they have been looking at other number systems, including Roman Numerals.

In our system ALL numbers can be represented using combinations of 10 symbols 0, 1, 2, 3, 4, 5, 6, 7, 8, 9. It is said to be Base10. We use the placing of the number to determine its value (that is, a digit carries a different value according to its place in the number).

Composed of "hex" meaning six(6), and "dec" meaning ten(10), the word hexadecimal means six and ten, or sixteen. The hexadecimal number system is based on 16 symbols. In other words, there are sixteen(16) symbols to count with. The symbols are 0, 1, 2, 3, 4, 5, 6, 7, 8, 9 and A, B, C, D, E, and F. The use of upper case letters is a bit of a switch but don't panic. As you might suspect A does equal 10; B, 11; C, 12; D, 13; E, 14, and F, 15.

There are many other number systems including Binary, Octal, Hexadecimal and Dozenal. There is a whole society of people who believe that our number system should be based on the Dozenal (Base 12) system.

**Challenge:** To write out the first 100 Hexadecimal numbers. The first 10 students who bring a correct answer to the Maths staffroom will receive a prize. Good luck!!

**The Human Column Graph**

Year 7 have just completed a unit on graphing. Here is 7 Green displaying their human column graph. The students created a paper cut-out of themselves and we will measure how much they have grown later in the year!

**Davidson Shield Cricket**

The first round of Davidson Shield cricket was played on Monday against a strong Finley side. With Finley winning the toss and sending Deni into bat, Deni got off to a strong start thanks to Steven Scott and Jonty Tubb but as the innings progressed our batsman failed to fire and we ended up with a score of only 83. Finley started slowly with the bat due to some tight bowling from Zac Thompson but eventually passed DHS score for the loss of only 2 wickets. With so many Year 8/9 students in the side I’m sure we will have success in the years to come.

**Homework Centre**

The Homework Centre has started this week. It is held on Wednesday from 3.10pm to 4.10pm and on Thursday from 3.20pm to 4.20pm. There will be teachers available to help with most subjects. Students must book in with a teacher at the Henry St office by the end of lunch on the day.
SRC REPORT
The SRC have had an exciting start to the year, with the new representatives for Years 8 – 11 being elected. They are; Year 8: Georgia Smith; Year 9: Jordan Moore, Kwasi Sharp, Jamie Blake; Year 10: Chelee Williams, Kristy Howman, Georgia Van Lieshout, Forbes Linderman; and Year 11: Jack Fellows, Indy Williams, Lily Irvin, Wade Blake and Eloise Maher. These students will join the existing 2013 school captains, with Year 7 representatives being elected early in Term 2. It is fantastic to see a mix of returning students as well as some ‘new blood’ joining the ranks.
We are already very busy this year, with some representatives volunteering their time to help cook the BBQ at this week’s Year 7 BBQ. Many students are also working closely with Ms Page in preparation for the ‘Bullying, No Way!’ Action Day to be held in a few weeks. We are also very much looking forward to our annual planning day to be held later in the term. 2013 is certainly shaping up to be an interesting year!

NEWS FROM THE SUPPORT CLASS
There has been lots of activity in the support class. You may have seen the class outside during lesson time as they have been planting seeds and tending the gardens with Ms. Sinha and working on their life skills tasks with Mrs Leetham.
This term, Chris has been collecting the roles in the morning by himself. Mrs Jeffrey accompanies Chris to lend a hand and make sure he is going in the right direction. This is a big responsibility for Chris and if you pass him in the morning, give Chris some encouragement and support.
During recess, a staff member from the support class is usually sitting with Sara and Kyana near the entrance to the Science rooms. It has been lovely to have students come down and visit with them and also to socialise with Chris, Tate and Brylie. Thanks to all those students who take the time to stop and have a chat or just say hello on the way past.

NEWS FROM THE STUDENT SUPPORT OFFICER – TRACEY PAGE
The 20th March is fast approaching where Deni High will be participating in the “Bullying NO Way Action Day!” More than 850 Primary and High schools in Australia will be participating in the day. Deni High will be one of two schools in the Riverina that have registered.
There are several activities planned for the day. Deni High is very active in dealing with the bullying issues and we will continue to work with students and staff. Students have been very busy in class and at home creating their competition entries. Please remind your child that entries must be returned to the Tracey, Student Support Officer, by the 18th March. Eight entries have been received, from students in Year 7, 9 and 11. Prizes will be awarded for each year level.
On the 20th March, “Bullying No Way Action Day” the Student Representative Council will be assisting in the several activities and there will be a Sausage Sizzle available for a small fee. A special assembly with guest speakers will talk about the negative effects of bullying and the competition winners will be announced with prizes awarded.
Parents and caregivers are invited to attend the assembly on the 20th March at 12.30pm and they are welcome to attend the Sausage Sizzle lunch afterwards. I look forward to meeting all who attend.
Please have a look at the following websites. These sites give you constructive ideas on dealing with bullying.:  
www.bullyingnoway.gov.au  
www.keepittame.youngandwellcrc.org.au  
There are even Facebook pages aimed at tackling the bullying issue. “Be Bold, Stop Bullying Australia” is where you can take the pledge to stand up against bullying.

GIRL’S OPEN REP BASKETBALL
The open girls’ basketball team had a great trip to Albury last Friday where they had a very exciting win and close game against James Fallon High, after having a loss to Albury High. The girls played very well despite only having 6 players, giving their best effort all the way. Well done girls! Thanks also to our referee Rhys, and driver, Ant.
Our team consisted of: Maddi Price, Chelsea McNamara, Demi Blake, Lainey Blake, Steffe Barry, and Lucy Seale.
CAREERS NEWS
Year 10 Careers Expo
The Year 10 Careers Expo will be held on Thursday 21st March. We have decided to shift the whole program forward to help Year 10 students become familiar with our local employers. Encouraging them to make networks and familiarise themselves with potential work experience placements. This is a very worthwhile program and is compulsory for all Year 10 students. Students have nominated a number of industries in which they are interested and we have set about convening panels and workshops accordingly. Notes will be sent home outlining the day’s events. Students will be out of class for the day from period 2 onwards. We ask that all students bring their morning tea and a drink on that day as we will be out of the school during recess.

Work Experience
It is very pleasing to note that a large number of Year 10 students are already organising themselves in preparation for work experience. We have been advising students that work experience is a ‘first in best dressed’ situation and there are industries which are quite popular and fill up quickly. Please discuss this program with your Year 10 student and help them source a placement. We have an extensive data-base with a host of employers, if students are feeling perplexed we are only too happy to help them find the right placement for them.

Work Experience – Melbourne Football Club
Melbourne Football Club hosts a very comprehensive and well-structured Work Experience Program and they have contacted us to advise that they have 40 positions for students during the football season. The dates for these placements do not correlate with our work experience program; however we are only too happy to accommodate such exclusive programs as we feel they are an excellent opportunity for our students. If you would like to make an application to the MFC you can do so by logging on to www.melbournefc.com.au/the-club/people/work-experience

TAFE Auto Classes
The TAFE Auto courses have started full swing for 2013. Year 10 students will be out all day on Wednesdays; Year 11’s will attend every Monday 1pm to 4.30pm and Year 12 classes will run on Thursday afternoons between 1pm and 4.30pm.

Deniliquin Pharmacy – Employment Opportunity
We have been approached by the Deniliquin Pharmacy who are looking for a part-time employee to pack Webster packs (medication packages) for their dispensary. This would suit students interested in pharmacy who are able to work unsupervised with a high degree of accuracy. This position is six hours per week, preferably working Monday and Tuesday afternoons, though this can be negotiated. The successful applicant may be able to seek future employment with the pharmacy’s branches in Wagga, particularly advantageous to students considering Charles Sturt University for further study. Interested students in Years 10, 11 or 12 need to submit an application and resume to Mandy Cooper at Deniliquin Pharmacy by Friday 15th March.

Apprenticeship Opportunity - Floorcovering
Menadue’s Floorcovering are looking to take on a full-time apprentice carpet and floor layer. If you are interested in pursuing an apprenticeship in this trade please drop in to the Careers office for more information.

Australian APPRENTICESHIPS Pathways
Apprenticeships and traineeships are a vital pathway to careers for young people who do not go to university. We recommend that you take a look at the website www.aapathways.com.au and discover the resources freely available that will help you direct your child to consider their career choices. The Australian Apprenticeships Pathways website continues to provide students and parents with up to date information about Australian Apprenticeships including over 3,000 Australian Apprenticeships job and training descriptions and over 60 Job Pathways Charts.

Two brilliant careers resources you’ll find on this site. The “Careers Resources” menu item includes resources such as Australian Apprenticeships Job Pathway Charts (www.aapathways.com.au/jpc). Here you can select an industry title to view a Job Pathway Chart illustrating potential career pathways within that industry beginning with an Australian Apprenticeship. Click on a hyperlinked job title to see more detail about that role. Charts are available for download in PDF format and can then be printed, saved or emailed from the PDF browser.

Practice Aptitude Quizzes (www.aapathways.com.au/quiz). Clicking the link to each industry, will download a PDF quiz for that industry. Practice Aptitude Quizzes are designed to illustrate some of the key literacy, numeracy and comprehension learning standards required of people attempting an Australian Apprenticeships entry level qualification. Questions in these Quizzes are presented in the context of a specific industry sector.

For further information about the website and its resources, contact the Australian Apprenticeships and Traineeships Information Service on 1800 338 022, or email contact@aatinfo.com.au.

Get Connected with Charles Sturt University (CSU)
* MyDay
The 2013 MyDay program begins in March, providing opportunities for high school students who have expressed an interest in a particular area of study to hear about courses from the relevant course coordinators or academics. MyDays are designed to give students a taste of living and learning on campus at CSU, as well as information about the opportunities and support CSU offers to help them achieve their goals. The MyDay program for March includes Oral Hygiene and Health Sciences, Exercise and Sports Sciences, Nursing and Paramedics, Business, IT, Arts, Psychology, and Social Work at CSU in Wagga Wagga, Bathurst and Albury-Wodonga. For the full 2013 schedule and registration details visit www.csu.edu.au/go/myday.

* Open Day every day
Can’t wait until the end of the year to take a look at your nearest CSU campus? We can help. CSU’s open day every day campus tour program provides personalised tours any working day of the year. The tours are run by current students who can show you on campus accommodation options, student amenities, lecture theatres, sporting facilities and more. We can also arrange for you to meet academic staff so you can ask any course-specific questions you might have. Just...

* Connect with CSU

CSU has a variety of ways students entering their final years of school can connect with us. Find us on Facebook at [www.facebook.com/charlessturtuni](http://www.facebook.com/charlessturtuni) or keep up with the latest news from the University via our Twitter account @CharlesSturtUni. Our friendly student advisors are available on 1800 334 733 or you can visit [www.csu.edu.au/contacts](http://www.csu.edu.au/contacts) to make an online inquiry.

**Bond University**

Bond University's Manager for Schools and Community, Terry Crotty would like to invite students from Deniliquen High School to attend the Bond University Information Session - Albury. This information session is free of charge, and gives Year 11 and 12 students and their families the chance to learn more about the degree programs outlining the unique 3 semesters per year program offered at Bond University, potential scholarships, and information regarding relocating to the Gold Coast. These seminars will give students an insight into life as a 'Bondie'. Tea, coffee and light refreshments will be served at this event.

Date: Thursday, March 21, 2013
Time: Session One: 4:00pm – 5:00pm
Session Two: 6:00pm – 7:00pm
Location: Robert Brown Room, Albury City Council Offices, 553 Kiewa Street, Albury NSW

**Pharmacy, Pharmaceutical Sciences – What's the Difference?**

Pharmacists are directly concerned with people's health and wellbeing. They provide advice on the safe and effective use of medicine. They are actively involved in patient care in hospitals and the community. As medicine experts, they often also work in government, industry, research and clinical-trial roles. For those students interested in science and healthcare, and who enjoy communicating with people, then the Bachelor of Pharmacy is for them as this is the degree needed to become a pharmacist. In Victoria, the Bachelor of Pharmacy is offered at Monash University - [http://www.monash.edu.au/study/coursefinder/course/2628/](http://www.monash.edu.au/study/coursefinder/course/2628/) and RMIT University – [http://www.rmit.edu.au/programs/bp184](http://www.rmit.edu.au/programs/bp184)

**Virtual Pharmacy – Pharmville**

Major changes are underway in the way universities are teaching pharmacy to undergraduate students. By way of a virtual pharmacy or “virtual practice

**At Monash Series**

The annual ‘At Monash Seminar Series’ commences in March. These seminars provide Year 11 and 12 students and parents with an insight into the courses and career options within discipline areas. The seminars are presented by academics in conjunction with current university students and graduates, and are held in various locations across the Caulfield, Clayton and Peninsula campuses. Seminars with the same title have the same program.

Cultural Au Pair
The Cultural Au Pair program is a fantastic opportunity for students who have completed Year 12 to travel abroad and work for their Gap Year. The program places students with a host family. Students are required to look after children and in return are given full board and a small salary. Interested students need to keep their eyes and ears peeled for more information over the coming months as we will be having a guest speaker who will be coming to talk to the students about the program. In the meantime to find out more logon to www.culturalcare.com.au

HOME EC NEWS
Deniliquin Show
We had over 130 entries in the Deniliquin Show Junior Cookery section this year. Students from Year 8-11 entered a range of categories.
The winners are:
Choc Chip Biscuits
1st: Emma Lumber
2nd: Elly Stringer
Choc Chip Muffins
1st: Kelsi Johnson
2nd: Anna Mathewson
Encouragement Award: Karla Molloy
ANZAC Biscuits
1st: Eliza Warren
2nd: Lauree Telford
Carrot and Date Muffins
1st: Kaitlyn Trott
2nd: Denae Loudon
Fruit Cake
1st: Kris Quarrell
2nd: Storm Birks

Kaitlyn and Kris cooked a competition dish. As they are the first placed, they will compete at Mildura Show at a later date. If they continue to be successful they may enter the Royal Melbourne Show with their baked product!

Coffee Shop
The coffee shop has started running again this year. There is a new menu that includes milkshakes and frappes. It is open every Tuesday in the first half of lunch in the MPC, Year 11 are required to satisfy competencies related to coffee making. This allows them to satisfy this area of the course.

ZONE SWIMMING CARNIVAL
Deniliquin High School hosted the zone swimming carnival last week with Hay, Finley, Barham, Toolybuc and Balranald in attendance. With the weather threatening all day that didn’t stop the efforts of all students involved.
DHS had 25 students compete with a number of students qualifying for the regional carnival next Monday in Leeton. A big thank you to Miss Normans PASS class who were fantastic helpers all day.

Good luck to the eight students off to Leeton with Mrs Dalzell I’m sure you will do DHS proud.

The competitor’s travelling to Leeton for regionals are as follows: Nicola Dalzell, Naomi Werner, Vince Duffy-Richards, Sophie Walmsley, Jacob Bulmer, Maddison Strong, Keily Nethercote and Stephen Dalzell (Jamie Henson and Adrian Laverty qualified but will not compete due to Year 7 Excursion commitments).

Year 11 Hospitality Catering
On Friday, the Year 11 Hospitality students catered for the regular staff Friday lunch. This is the first year that Hospitality students will offer a catering service each Friday. The staff loved the freshly made dishes that included quiches, sandwiches, salads and mini lemon meringue pies. These activities give the students invaluable skills in menu planning, preparation and presentation. It is part of the assessment of their skills in the VET Hospitality course.
Information Session for Parents and Carers of Young People who Self-Harm

What is self-harm?
Understanding why young people self-harm.
Risk factors and warning signs.
What can family and friends do to help?
How and when I can help?
How to talk with a young person about their self-harm.
Resources.

Presenter: Dr Angela Dixon
Dr Angela Dixon is a Clinical Research director and Senior Psychologist at the Department of Psychological Medicine, Children's Hospital at Westmead. Angela has worked with emotionally troubled children and adolescents in a variety of positions, both in Australia and the USA, for the past 20 years. In her current role, she co-ordinates the Psychological Medicine Anxiety Clinic Traumatic Stress Clinic and continues to teach on child and adolescent mental health to both academic and professional audiences. Her special interests are anxiety disorders, self-harm, trauma and PTSD in adolescents.

Date: 19th MARCH 2013
Time: 7.00 till 8.30pm
Venue: Deniliquin High School Library

The Deniliquin Dramatic Club will be holding auditions for "The Vicar of Dibley" on Sunday 10th March commencing at 7:00 pm.

Auditions will be held at the Deniliquin RSL in the Dunlop Room.

To register your interest phone Tina 5881 3453.
Enter a world of wonder where heroes and hearts prevail! Join Ariel as she yearns to explore the world above the waves and Prince Eric breaks Ursula's sizzling spell to reclaim his true love. See Prince Phillip defeat the evil Maleficent as she transforms herself into a fire-breathing dragon in a race against time to rescue Sleeping Beauty’s Aurora. Be there to discover a whole new world with Jasmine and Aladdin. And, watch in awe as the dreams of Cinderella, Belle, Snow White and Tiana all come true. High flying jumps, daring acrobatics, breathtaking skating and loveable Disney friends are just a wish away! There’s even a special appearance by Disney’s newest princess Rapunzel.

Applications Now Open
NSW Health in partnership with the Department of Education & Communities and TAFE NSW is offering scholarships for the Diploma of Enrolled Nursing program at education providers across NSW.

Scholarships will cover full payment of course fees for the Diploma of Enrolled Nursing. In addition, there is a guaranteed offer of a job at a NSW public hospital upon completion of the course. Selection for the scholarship is a competitive process that will include a written application and interview.

Successful applicants will commence the course between May 9 - June 30 2013.

Course duration: 12 - 18 months.

The application process includes a written application and interview and may require a literacy and numeracy assessment.

Successful applicants will also be required to:
- undergo Criminal Record Check and immunisation
- meet the physical and psychological work placement requirements
- undergo a Working with Children Check
- provide two written references

Please note that consideration will be given in the selection process to applicants from socioeconomic disadvantaged groups (full details on website).

Applications close March 22, 2013
To find out more about what being an Enrolled Nurse involves, and for an application package, visit: www.health.nsw.gov.au/nursing

2013 Diploma of Nursing (Enrolled Nursing)
