The last two weeks have certainly been very busy at DHS. We have had staff and students involved with excursions, empowerment days, special training and planning days. Our dedicated staff have been very busy organising these wonderful opportunities for the students.

**School Plan**
Deniliquin High School is currently in the process of looking at areas to develop over the next few years. Areas which have been identified so far include Quality Teaching, Enhancing Leadership, and Positive Relationships. There has been a survey set up for the school community to complete that can be accessed online at the following site – www.surveymonkey.com/r/L9CM7FT. It would be appreciated if surveys could be completed by Wednesday 1st April. This information will aid in the development of the school plan, which will be finalised early in Term 2.

**Parent/Teacher Night**
Parent/Teacher Night for students in Years 7, 8, 9 and 10 took place last Tuesday night. It was great to see so many parents/carers make the most of this opportunity to discuss the progress of their child with the teachers. Parent/carers are encouraged to organise an alternate meeting time with the appropriate teacher if you were unable to attend the meeting on Tuesday night. As we are very aware, communication between parents/carers and the school is imperative for the success of our students.

**Formal Assembly**
Our Formal Assembly for this term has had to be postponed until Week 1 Term 2. This Assembly will be held on the Thursday of the first week, followed by our ANZAC assembly which will take place the following day (Friday).

**Empowerment Days**
Students in Years 7, 8 and 9 have completed their empowerment days over the last two weeks. I had the pleasure of visiting the Year 7 empowerment day and briefly participating in a session. It was great to see our students learn so many skills that will put them in good stead for the future. Many thanks to the community members who contributed their expertise and time, and, of course, to the teachers involved. A special mention must go to our Girls Adviser (Ms Kermode) and our Boys Adviser (Mr Perizzolo) who organised the days for the year groups.

**Year 12 Half Yearly-Exams**
Our students in Year 12 will sit for their Half-Yearly Exams during the last week of this term. Students are well into preparation for these exams with many of them taking advantage of the Monday evening study sessions organised by their Year Adviser (Mr Bradley) and our Senior School Co-ordinator (Mrs Van Lieshout). We wish the students success in these exams and trust they will use this experience, and feedback they will receive, to better prepare themselves for the upcoming HSC.

---

**Making contact with your child while at school**
Parents/carers are reminded that there are procedures in place for contacting your child at school. If you need to contact your child at any stage during the school day, protocol is to phone or call into the front office and one of our staff will assist you with your request.

**SRC Planning day**
On Wednesday the students involved in our SRC (Student Representative Council) attended a planning day at the Big4 Caravan Park. This day is set aside annually to help students develop their leadership skills and to plan for the various events that will occur during the year. I was able to meet with the students during the second half of this day and listen to their ideas/thoughts. The students found this day very enjoyable and worthwhile, I look forward to working with these students on the proposals that they have developed.

**Winter School Uniform**
Term 2 will see the reintroduction of winter school uniform for students. Students will be required to be in winter uniform by the start of Week 3. If you have any difficulties obtaining winter uniforms please contact the school and we may be able to help.

**Term 2 Staff Development Day**
Staff will be involved in a Development Day on Monday 20th April. The first day back for students will be Tuesday 21st April.

As this is the last newsletter for Term 1, I would like to take this opportunity to wish the school community a very Happy Easter and a safe holiday.

Peter Astill
Acting Principal

**English/LOTE**

It has been another hectic and productive term for students of English and Italian! Mrs Ladson has left us to begin her maternity leave and we have welcomed Ms Rundell-Gordon in her place. All year groups have now completed their Term One assessment tasks and we have been very pleased with the standard of students’ writing. Some of the responses in the Student Gallery this week are examples of the writing students have been completing in class and at home.

Students in Year 11 and 12 are about to complete their Half-Yearly Exam on the Area of Study and should be engaged in a regular and consistent study routine which will prepare them for their exams. This should involve creative and analytical writing under exam conditions and revising their texts.

Italy has recently celebrated the Venetian Carnevale and Italian classes have been learning about the traditions associated with the festival. Classes have participated in the fun by making their own costumes and masks based on the characters of the famous Commedia dell’Arte.

The Drama Club has been meeting regularly on Mondays and Wednesdays and has performed recently performed a piece for Bullying No Way Action Day which involved vignettes exploring the different impacts and types of bullying. They will also participate in the ANZAC Day Assembly next term and start preparing their plays for Variety Night in Term Three.

We wish everyone in the DHS community a safe and happy Easter and hope to see students refreshed after their break!

**Student Gallery**

**Gran’s Garden**
By Sean Jacobsen, Year 7

My Gran loves her garden.
It’s full of roses.
She works hard all day
To keep it tidy.
The dogs love to play
Out there in the sun.
It brings her happiness
When the day is done.

**The Brightness of My Future and Darkness of My Past**
By Jet Austin, Year 7

Mornings pass by as I peek through my window
The sight of paddocks rotting in the heat of the sun above,
Scent of the scorched wheat and lucerne fills the air
And so little rain touches the ground
And birds do not sing.

At night the heat burns like a crisp
Fans the air conditioners rest my head
As mornings arise with so little sleep
My life only awaiting the future.

Beaches and sand with a gentle breeze
Sun shining and not scorching
Birds sing their heavenly songs
Waves bigger than cars with a single sound
Splash! I’m at peace now.

**Alone**
I kneel in the centre
The trees forming a tight circle around me
Breathing in –
Capturing the scent of pine,
Hearing the meander of small mammals
In the undergrowth,
Snow white pearls surrounding me.

Then the shadows close in
All around
My breathing gets faster –
Closing my eyes to
The crunch of a twig snapping
The howl of a wolf,
My heart stutters.

The cold reaches me
Darkness –
No signs of life
I am alone.

**Next P&C Meeting**

**31 March 2015**

*Please note change of date*
6pm, Meeting Room
Administration Building
All welcome to attend

**Notice of AECG Meetings**

Mondays Week 5
Each Term at 4.30pm

Next Meeting: Term 2; 18 May 2015
Contact: Mathew Daniels, Deniliquin Office
All welcome to attend
Girls’ Empowerment Days
Each year the girls and boys of the Junior School attend an empowerment day, a day designed to build positive self-esteem, improve teamwork skills and educate students on relevant issues.

Year 7
Thursday, 19th March saw a group of cheerful Year 7 girls and teachers head to Intereach at the Deniliquin Neighbourhood Centre for their first GED. Amanda McGee from La Pure Hair spoke to the girls about hair care and demonstrated some simple hairstyles for school. The girls then rotated through four activities with Miss Burton, Mrs Glowrey, Miss Parker and Miss Kermode. The afternoon session saw another successful round of The Panel.

Year 8
Year 8’s Empowerment Day took place at Memorial Park this year. The girls, wearing their brightly coloured team bandannas, competed in a variety of events, from Tents and Grannies to bucket relays. For each event, teams were awarded points based on their efforts. The support staff - Ms Barker, Miss Campbell, Ms Forner and Miss Kermode - were extremely impressed by the positive attitudes, enthusiasm and effort demonstrated by the girls on the day. The winning team on the day was the Purple People Eaters!

Year 9
For their final Empowerment Day, Year 9 walked to Intereach at the Deniliquin Neighbourhood Centre, accompanied by Miss Hatton, Mrs Hay, Mrs Leetham and...
Miss Kermode. Jenna Purtill of Jen’s DanceFit warmed the girls up with a routine that was a mix of dance aerobic fitness and jazz/hip-hop dance. It was fun, funky and definitely got them up and moving! The girls were also encouraged to go along for a free trial class. The girls then rotated through a series of workshops before finishing up with a Panel session in the afternoon.

I would like to thank the following people and businesses for their support of the GED programme:

- The staff at Intereach, Deniliquin Neighbourhood Centre, particularly Nicole Hearn
- Deniliquin Council
- Deniliquin Bakery for their delicious muffins
- Deniliquin Beaurepaires
- Browns Rural Supplies
- Amanda McGee of La Pure Hair
- Jenna Purtill of Jen’s DanceFit
- DHS staff

Beth Kermode
Girls Adviser

Boys’ Empowerment Days

The boys’ empowerment days this year were held on the 13th, 19th and 20th of March and took place at the Deniliquin Sports Stadium. Each day provided a unique opportunity to learn more about health issues affecting boys and men specifically. The boys were given a footy jumper for the day and placed in a team where they were to compete for points and prizes.

Year 7

The boys were accompanied by Mr Kiley, Mr Rae and Mr Perizzolo and learnt all about “Being a good mate”. After a brief inspirational talk from Mr Perizzolo they were set the task of building a tower out of only straws and masking tape, points were awarded for height and creativity. We had representatives from the Police and Ambulance to speak about issues relating to behaviour and the consequences of actions, staying safe and risk taking. In the rotations the boys learnt about personal hygiene and care, how to effectively deal with conflicts and working together. The highlight of the day was definitely the paper plane throw off, where the winner threw over 30m!

Year 8

The theme for Year 8 this year was “Being Phenomenal”. Mr Perizzolo shared some inspiring stories which highlighted the importance of trying your best and being phenomenal: especially exceptionally good. Peter Dawson, a representative from the NSW Ambulance teamed up with Paul Ebsworth, the Deniliquin Police Youth Liaison Officer to deliver an important message on “keeping yourself out of trouble”. Luke Moodie also spoke on the importance of embracing life and always making the most of life’s opportunities. Other issues addressed throughout the day included resilience, becoming an effective communicator and a ‘how to do everything better’ workshop. Thank you to Mr Blake and Mr Jansen for helping out with the day.

Year 9

After the “Becoming a Gentleman” themed Year 9 Empowerment Day, we can expect our boys to be modelling gentlemanly behaviour at Deniliquin High School. The Albury Youth Liaison Officer, Tanya Thompson spoke about being responsible and respectful, whilst Peter Dawson spoke about the importance of respect within relationships. The boys tested their engineering skills in the challenge of constructing a bridge only out of newspaper and masking tape. Other issues addressed across the day included taking care of your personal health, flexing the mind and maintaining dignity and respect in all areas of life. Thank you to Mr Michael and Mr Humphries who helped with the organisation of the day.

I would like to make a special mention to the following people/organisations that made the boys empowerment days possible:

- Peter Dawson
- Paul Ebsworth
- Luke Moodie
- Tanya Thompson
- Deniliquin Sports Stadium
- Deniliquin Council

Josh Perizzolo
Boys Adviser
Year 7 Excursion to ADANAC

2 weeks ago when all Year 7 headed off to Yarra Valley we were all pumped and couldn't wait until we arrived. When we finally got there, of course everyone wanted a go on the trampoline!! We all had a turn down the huge waterslide and it was a blast.

The first night activity was trivia; there were all sorts of topics and great prizes to win. Some were lucky enough to get lollies, yet others got toilet rolls. We did fun activities like trying to make a clock out of M&M's, hitting fruit across the floor with bananas tied to us and many more enjoyable activities. We also had a special event to celebrate due to Kayla’s birthday, a yummy rainbow cake.

The next day most of us were tired because we may have stayed up a bit late but we were still thrilled for the activities planned. We did things like flying fox which had a great view of the camp, although Miss Burton drowned out the place with her screaming. In canoeing most of us came out drenched and some were lucky to come out alive. Aqua tramp was amusing; a huge trampoline in the middle of the dam. Mountain boarding was quite an experience for some; lucky we were wearing arm and leg guards. Archery was easy for some to hit the bull’s eye but on the other hand, terribly hard for Miss Parker.

On the second night, we went for a swim at the local heated pool. We then came back for a cookie and went straight to bed after an exhausting day. On the last day of our camp, we were all tired and stuffed from the past 2 days of activities and challenges; the bus ride home was very quiet.

On behalf of all Year 7, we would like to thank Miss Parker, Mr Kiley, Mr Perizzolo, Miss Burton, Ms Page, Peter Hupfield and Shannon Williams for taking good care of us over those three days.

By Elly Blake and Tessa Bulmer
Careers News
SALT – Supporting and Linking Tradeswomen

Last Friday, we were fortunate to have been part of a program called SALT – Supporting and Linking Tradeswomen, which aims to increase the number of women taking up trade careers. Four highly accomplished “lady tradies”, Fi, Flavia, Fred and Sonia, spent the day with twenty of our girls, including Mrs Dunmore, assisting them to build a wooden tool box and informing them of the opportunities and pathways that exist into trade areas. The students, ranging from Years 8 to 12, were thoroughly engaged for the day, learned many new skills and very much appreciated the patience and friendliness extended to them by the SALT team. We would like to thank everyone involved in bringing this free program to our school, including the Senior Pathways Unit of the Department of Education and Communities, in particular Sue MacLean, and the capable, enthusiastic women of SALT. For more information on SALT, visit their Facebook page.

EA Ski & Snowboard Training

EA Ski & Snowboard Training specialise in full season job placements through our popular Ski and Snowboard Instructor Internship Program. Over the past 10 years EA has put over 2,000 young people through internationally recognised qualifications and into jobs all over the globe. We have now opened our second recruitment stage for the 2015/16 winter season starting this December, and are looking for enthusiastic individuals looking to experience a fun gap year, or stepping stone into the snow industry. The demand for Australian interns is high, and employers particularly in Canada, Japan and Switzerland are interested in finding the right candidates for upcoming seasonal roles.

Successful applicants will receive:

✓ A GUARANTEED offer of employment as a ski or snowboard instructor which includes uniform, full season pass and discount deals
✓ Early season orientation, instructor training and accommodation package - Everything sorted so all you have to do is ski or ride!
✓ International Instructor Association membership and level one ski or snowboard examination
✓ Training, support and further qualifications throughout the season
✓ Assistance and support with obtaining Working Holiday Visas, flights and insurances (in partnership with STA Travel)

EA are looking for school leavers who:

• Have a passion for skiing or snowboarding (Low level intermediate to advanced ability welcome)
• Have a willingness to learn through training and working
• Have an interest in travel and adventure
• Are available between December and April
• Will be 18 years of age by November
• Are looking for a life-changing experience
• Have the financial support to participate

Limited positions available: Due to limited instructor employment positions it is very important that students apply now. Almost half of the placements are filled already and programs will fill in the next few months.

Locations - We work with partner ski resorts in Canada, USA, Japan, New Zealand and Switzerland. Programs start in November each year.

For general information about our internship programs around the world, check out our website [www.easkiandsnowboard.com](http://www.easkiandsnowboard.com)
White Card
35 students participated in the WHS White Card under the instruction of Mr Anthony Bradley. All students were successful in attaining their certificate and can look forward to receiving their white card in the mail over the coming weeks; please allow at least four weeks for this. We would like to sincerely thank Mr Bradley for facilitating the workshops over two teaching days. He puts a great deal of time and preparation into the course (as well as preparing his own classes for the two days) to make this event happen for our students at such a reduced cost. Students who have undertaken this course are now able to enter worksites in the knowledge that they are covered by WorkCover. This White Card is valid for the rest of their working life.

RSPCA Holiday Programs
RSPCA Short Courses are designed to develop new skills for people dealing with animals; providing valuable access to industry experts and utilising quality resources and trainers. Programs are tailored for those wanting to enter the animal industry or already working within this field, as well as allowing participants to increase their skills with their own pets. More information about each program is at RSPCA Short Courses [Link]. The RSPCA also offers a number of programs for students aged 15 – 18 years who are considering working in the animal industry or simply have a love of animals, and these programs run during school holidays. There is an upcoming Vet for a Day program that might interest some students.

Date: Tuesday 7 April 2015
Time: 9.30am to 3.00pm
Find out more at Youth Holiday Program - [Link]

Careers In Criminology
Many students consider a career in the legal industry yet only know of a lawyer or judge. Many have heard of, but do not know, what a criminologist does. According to the Job Guide, criminologists examine the systems by which people accused of crimes are brought to justice, attempt to explain the reasons for criminal behaviour and suggest ways crime might be reduced.

Criminologists may perform the following tasks:
- study the ways certain criminal justice agencies operate including the law courts, police services, prisons and community-based correction centres
- provide information about crime and the ways in which people are processed by the criminal justice system
- compile crime statistics and develop ways in which crime solving resources can be best used

Criminologists may specialise in organisational research, victimology, corporate crime, adult corrections and/or juvenile justice. They may work in the legal field, which tries to make sure that laws keep up with changes in society. They may also work in the social/psychological fields, which study the effects of the criminal justice system or the factors which contribute to offending behaviour by individuals.

So, what type of person becomes a criminologist?
- Someone who has analytical ability
- Someone with personal integrity
- Someone interested in welfare and human behaviour
- Someone interested in working with disadvantaged groups

OPEN BOYS AND GIRLS SOCCER
On Thursday 12th March, Deniliquin High School travelled to Hay for a Gala Day of soccer. Barham and Finley High Schools also attended the day.

Deniliquin boys played first against Barham and had a convincing win, with Josh Scoop scoring a double and Caleb Weir & Ben Currie scoring one each to a 4-1 victory. The second game was a draw 0-0 against Finley. With a superior goal difference Deniliquin High school have progressed onto the next round. Matt MacDonald, Josh Scoop and Sam Young were the top players on the day.

In the girls it was a close affair against Barham with a 3-2 victory. Steph McKindlay scoring a double and Olivia Duffey with one. The game against Finley was tough. Deni got an early goal from Olivia but Finley started getting on top towards the second half. With ten minutes to go Jackie Thorpe scored a bomb goal from the halfway mark. This was a 40 metre shot that went over the keepers head. Steph McKindlay, Jackie Thorpe and Anna Bowie were the top players on the day and the girls also progress through to the next round.
DHS Competes at Barook Field & Game Shoot 2015

On Monday, 16 March, a contingent of 18 shooters travelled to Barham to compete in the Annual School's Field and Game Shoot. Representing Deni High were Darren Bassett, Ryan Brunker, Brendon Erickson, Tom Fellows, Josh Flight, Josh Gallagher, Lourens Geldenhuys, Jake Holschier, Keegan Hunt, Liam Hunt, Ben Leetham, Ben McCalman, Bethany Mills, Riley Norris, Ryan Ross, Jack Sides, Stephanie Vickery and Ronan Waters.

This is the largest team that DHS has sent to this event and included five shooters who competed for the first time in such an event. The DHS Senior Boys Team of Josh Flight, Riley Norris and Jake Holschier were second and Bethany Mills and Stephanie Vickery were second in the Junior Girls Team event.

The best individual performances of the day were by Bethany Mills, Girl's High Gun Winner, Keegan Hunt, Senior Boy Winner, Stephanie Vickery, second Junior Girls.

Thanks to parents, Brian Norris, Richard Leetham, Shaun Gallagher and Adrian Mills for travelling with the team and acting as officials on the day.

Year 8 Maths Field Day

On 19th March, all Year 8 students headed to the pool for a day of outdoor mathematical activities. The students rotated through six activities during the day. The activities involved problem solving, time and estimation, an underwater swim, pool volume, averages and speed and heart beat.

The Field Day is part of our Making Maths Real Program and is designed to show students the practical applications of the Maths they are learning in the classroom.

The weather was fine and warm and a great day was had by all. Thank you to the Maths staff and aides who ran the activities on the day.

CHS Boys and Girls Tennis

On Monday 23rd March, the open boys and girls CHS Tennis teams headed to Barham to take part in a knockout competition, with the winner from the Deniliquin district to take part in the Regional finals in Wagga early next term.

Our boys’ team, consisting of Joab Weir, Alex Ritchie, Max Taylor and Josh Flight, played consistently in their first rubber to record a solid win over Tooleybuc. In the semi-final, they played against much younger opponents from Hay. The Deniliquin boys won every set, however their younger opponents demonstrated that they will be a threat in future years. In the final the boys were defeated by Barham, however, there were many close sets and our boys really made them earn the win.

Our girls’ team also performed well in the early rounds, defeating Finley and then Barham to progress to the final. Unfortunately, losing some close sets in a very even match saw our girls lose 3 sets to 5. Our girls’ team consisted of Lucy Seale, Elyse Hood, Bree Collins, Georgia Denny and Pippa Metcalfe.

I congratulate our students on the etiquette and sportsmanship they demonstrated throughout the day and thank them for an enjoyable day of tennis.

Mr A Michael
DHS Open Boys and Girls Tennis Coach
ATTENDANCE
Regular attendance at school is essential to assist students to maximise their potential. Schools, in partnership with parents, are responsible for promoting the regular attendance of students. This supports Section 22 of the Education Act (1990) which "requires parents to ensure that students between the ages of six and seventeen are enrolled at a government or registered non-government school and attend that school whenever instruction is provided." The Act also states that "children must attend school unless there are justified reasons for an absence. All absences must be explained to the school at which the child is enrolled within seven days of occurrence."

Our district Home School Liaison Officer (HSLO), Ms Charmaine Lord, monitors student attendance and interviews students whose attendance is causing concern. This occurs every 2-3 weeks and she is always accompanied by a school representative, usually Ms Tracey Page (Student Support Officer) or Mr Anthony Michael (Head Teacher Administration). We believe these interviews provide an opportunity for us to ensure that students have the chance to share any school based concerns with us. Through discussion, we often find that there are valid explanations for absences but the information is not passed on to the school in a timely manner. The interview assists in helping students to care for their individual record of attendance.

An option available for parents who want to be informed immediately of absences is to receive an SMS message from the school. Please contact me at the school if you feel this might be necessary at this early stage and I will forward the appropriate forms to you.

Please endeavour to provide a written note explaining the circumstances to your child’s Roll Call teacher within 7 days of any absence. You can also ring the front office staff and provide a reason verbally if this is more convenient.

Mr A Michael
Head Teacher Administration

WINTER SCHOOL UNIFORM

Junior Girls
Red Tartan wrap around skirt
OR
Dark Navy or Black Pants (not jeans)
White school shirt with collar
Black tights / white socks
Black or brown leather shoes (not runners)
Red windcheater or jumper (V-neck)
Red polar fleece top (optional)

Junior Boys
Grey trousers
Light blue school shirt with collar
Grey socks
Black or brown leather shoes (not runners)
Red windcheater or jumper (V-neck)
Red polar fleece top (optional)

Senior Girls
Blue Tartan Kilt
OR
Dark Navy or Black pants (not jeans)
White school shirt with collar
Blue/black tights
Black or brown leather shoes (not runners)
Navy jumper (V-neck)

Senior Boys
Grey trousers
White school shirt with collar
Grey or blue socks
Black or brown leather shoes (not runners)
Navy jumper (V-neck)

Additional notes
Shoes - It is compulsory for all students from Year 7-12 to wear full leather shoes – runners of any description, shoes with 'holes in the top of them' or shoes that essentially only cover the toes are not acceptable. Shoes must have leather covered uppers as required by the Education Department for safety in all subjects.

Hats - It is compulsory for all students from Year 7-12 to wear a hat when involved in outside activities such as PE, Sport, at the farm or on any excursion or activity where there is a lot of outside activity.

Winter tops - In addition, during the winter months, students may wear a plain red polar fleece (sporting club tops are not acceptable).
THE BEST HOLIDAYS HAPPEN AT CAMP

Entertain the kids this school holidays with a Sport and Recreation camp. Our popular Kids’ and Family Camps offer a range of exciting activities to keep even the biggest kid entertained. Try your hand at over 40 different activities, including fishing, slip’n’slide, abseiling, crafts, kayaking, cooking and more. Led by qualified instructors, you can rest easy knowing your kids are in safe hands.

Kids’ Day Camps start from $47. Family Camp weekends start from $63 per day for kids and $96 per day for adults (kids under 5 attend free. Cost includes accommodation, meals and activities).
